- |         |        |        |
|---------|--------|--------|
| 1 river | 3 gulf | 5 lake |
| 2 hill  | 4 wood | 6 lane |

### 3

- |                         |                          |                             |
|-------------------------|--------------------------|-----------------------------|
| 1 cliffs/coast          | 6 valley                 | 11 cape                     |
| 2 geyser                | 7 river                  | 12 waterfall                |
| 3 rocks/<br>(mountains) | 8 cave                   | 13 straits                  |
| 4 gorge                 | 9 lake                   | 14 peninsula/<br>coast/cape |
| 5 island                | 10 mountains/<br>(rocks) | 15 forest                   |

### 4

- |             |             |           |
|-------------|-------------|-----------|
| 1 island    | 4 volcanoes | 6 land    |
| 2 mountains | 5 geysers   | 7 fishing |
| 3 fields    |             |           |

### 5 a

- 2 countryside
- 6 forest
- 5 hill
- 1 land
- 4 river
- 3 shore

### 5 b

- |               |          |
|---------------|----------|
| 1 flat        | 7 gentle |
| 2 steep       | 8 arid   |
| 3 shallow     | 9 deep   |
| 4 sandy       | 10 rocky |
| 5 fertile     | 11 hilly |
| 6 dense/thick |          |

### 6
